

Merry Christmas!

Dandeli

My dear Paula

I had my Mid-term exam from 28th sept to 6th october 2016. Our holidays started from 7th october to 24th october. I'm enjoying my holidays and I attended 2 days camp at Honavar. There was a talk about happiness, choice, positive change in life, light, hardwork, Faith, Gratitude. It's time for christmass and I am eagerly waiting to the christmass gift receive on behalf of my family members.

I Wish you Merry christmass and a happy new year with lots of love & wild up.

Thanking you

your loving child
Maria.
